

Alliance Coal, LLC and Affiliates Profit Sharing and Savings

For the Plan Year Beginning January 01, 2022

Automatic Enrollment

The Alliance Coal, LLC and Affiliates Profit Sharing and Savings ("Plan") includes an Automatic Contribution Arrangement. If you are a **newly eligible participant** and you do not complete and return an Election to Override Automatic Deferral form or go on-line and make your own deferral election, you will be automatically enrolled in the Plan deferring 5% of your eligible compensation each pay period to the Plan. Your employer will contribute that amount to the Plan on your behalf. Your deferral will be a pre-tax deferral and will be invested in the qualified default investment alternative unless or until you make your own investment elections. Instructions for making investment elections are in the Qualified Default Investment Alternative Notice.

Automatic Increase

If you are automatically enrolled, your deferral percentage will be increased 1% on or about January 1 following your Entry Date. For example, if you enter the Plan on January 1, 2021, your deferral percentage will increase on or about January 1, 2022, and each subsequent year thereafter until you are deferring the lesser of maximum contribution amount for that calendar year or 50% of your eligible compensation.

If you make your own deferral election, your deferral percentage will not be automatically increased each Plan Year unless you elect to have your deferral percentage increased each Plan Year.

If your deferral percentage is 0%, your deferral election will not increase unless you change your deferral election.

Current Participants

If you are a **current participant**, you may change your deferral election at any time by going to www.nesteggu.com/arlpl, selecting "My Account," entering your User ID and Password, selecting "Participant," selecting "Manage," selecting "Manage Account," selecting the "Change Contribution" tile and then making your deferral election or you may use the Voice Response Unit by calling 877-410-9984. When asked for the extension for your plan provider, enter 1111. You may also call 866-412-9026 and ask a representative in the Customer Solutions Center to assist you in making your election.

Other

If you do not go on-line or you do not complete and return an **Election to Override Automatic Deferral** form and you do not want to be automatically enrolled in the Plan, you have 90 days from the date your first deferral was made to the Plan to request that the amount automatically deferred on your behalf be returned to you. You make that request by completing a **Request for Return of Automatic Deferral** form and returning it to your Plan Administrator.

To do so on-line, go to www.nesteggu.com/arlpl, select "My Account," enter your User ID and Password, select "Participant," select "Manage," select "Manage Account," select the "Change Contribution" tile and then making your deferral election. You may also call 866-412-9026 and ask a representative in the Customer Solutions Center to assist you in making your election.

If you want to make Roth 401(k) Contributions, you must complete and return the **Election to Override Automatic Deferral** form or go on-line and make your own deferral election.

The amount you elect to defer as pre-tax contributions or the amount automatically deferred for you, and any earnings on that amount, will not be subject to income tax until it is actually distributed to you. If you make Roth 401(k) Contributions, those contributions are subject to income tax at the time they are contributed to the Plan. However, both pre-tax deferrals and Roth 401(k) Contributions are counted as compensation for Social Security taxes.

Should you have questions about the automatic contribution arrangement or the automatic increases to your deferral percentage, you may contact Christi Henson at 918-295-7525 or by email at Christi.henson@alccm.com.

Alliance Coal, LLC and Affiliates Profit Sharing and Savings

For the Plan Year Beginning January 01, 2022

Qualified Default Investment Alternative

You have the right to direct the investment of your account balance in the Alliance Coal, LLC and Affiliates Profit Sharing and Savings ("Plan"). You may make your investment choices from the designated investment alternatives offered in the Plan. If you do not make an investment election as to how the Plan should invest your account balance, the Plan trustee will invest your account balance in the qualified default investment alternative that the Plan officials have selected. The qualified default investment alternative is the JP Morgan Smart Retirement Passive Blend Fund that most closely represents your Normal Retirement Age. These funds are targeted date funds which seek a level of total return consistent with its asset allocation until the approximate retirement year in the fund's name. Thereafter, the funds seek total return through a combination of current income and capital appreciation.

Overall Strategy for the JP Morgan Smart Retirement Passive Blend Funds

The JPMCB SmartRetirement Passive Blend Funds are a series of target-date funds that serve as vehicles to help invest for retirement. They employ a rigorous, systematic fund screening and selection process and use an asset allocation strategy that becomes more conservative as the Fund nears its target retirement date. Each Fund invests in a mix of underlying strategies, which changes over time with the goal of maintaining an appropriate mix of asset classes and underlying investments. The goal of each Fund is to provide asset allocation from a single fund by pursuing a 'fund-of-funds' strategy.

The Funds At Target Date

The Fund seeks total return with a shift to current income and some capital appreciation over time as each Fund approaches and passes the target retirement date.

If at any time you want to direct the investment of your account into investments other than the qualified default investment alternative, you may do so by accessing www.nesteggu.com/arl, selecting "My Account," entering your User ID and Password, selecting "Participant," selecting "Manage," selecting "Manage Account," selecting the "Investment Election" tile, and then making your new elections. You may also call 866-412-9026 and speak to a Customer Solutions Center representative. You may obtain investment information about the Plan's designated investment alternatives by reviewing the Investment Comparative Chart by accessing www.nesteggu.com/arl, selecting "My Account," entering your User ID and Password, selecting "Reports & Forms," then selecting "Plan Information & Forms" and then selecting the "Legal Notices" group. There is also a Glossary of Terms available to help you understand the investment terms used in the Investment Comparative Chart. To view the Glossary of Terms, go to www.nesteggu.com/arl, select "NEU Handbook," select "Investor" and then select "Glossary of Terms" under the "Learn" section.

You may lose money by investing in the qualified default investment alternative, including losses near and following retirement, and there is no guarantee that the investment will provide adequate retirement income.
